### **Case Study in International Cooperation: Cuba's Molecular Immunology Center and Roswell Park Cancer Institute**

Evans R, PH MR, Segal B, Abrams SI, Lee K. MEDICC Rev. 2018;20(2):35–39.  
<https://doi.org/10.37757/MR2018.V20.N2.8>

### **Six Decades of Cuban Health Cooperation**

Gorry C. MEDICC Rev. 2019; Oct 21(4):83-92.  
<https://doi.org/10.37757/MR2019.V21.N4.15>

### **Your Primary Doctor May Have an MD from Cuba: Experiences from the Latin American Medical School**

Coutin G, Gorry C. MEDICC Rev. 2018;20(2):11–16.  
<https://doi.org/10.37757/MR2018.V20.N2.3>

### **Cuba & COVID-19: Public Health, Science and Solidarity**

This one-hour documentary by Helen Yaffe was filmed in Cuba during the global pandemic and takes viewers step-by-step through Cuba's health system, policymaking and communities to explain Cuba's response to COVID-19 and how it was able to prevent, contain and treat the virus and send help abroad.
